Foto: istockphoto / vojata

**Dear colleagues and friends,**

We have the great honour and pleasure to invite you to join us for the **11<sup>th</sup> World Congress of Melanoma in conjunction with the 21<sup>st</sup> EADO Congress** which will be held under the auspices of two renowned authorities in the field of continuous medical education, the Melanoma World Society (MWS) and European Association of Dermato-Oncology (EADO).

The World Congress of Melanoma has always been a unique forum of exchange between physicians, scientists, nurses and students. It constitutes a lively exchange of clinical experiences, research work and clinical trial output among experts from all continents reflecting the enormous progress in the field of melanoma and skin cancer. The congress also offers a great opportunity for young colleagues to interact with distinguished faculty, discuss with industry partners and communicate with representatives of patient organizations, creating a formidable learning environment. The 11<sup>th</sup> World Congress of Melanoma & 21<sup>st</sup> EADO Congress will be no exception to the rich heritage, reputation and influence of the previous World Congresses.

From a scientific perspective, the program of the conference will provide a comprehensive overview of the most recent advances in melanoma and cutaneous oncology. A variety of plenary lectures, interactive symposia, and workshops will cover the field of **melanoma as squamous cell carcinoma, merkel cell carcinoma, basal cell carcinoma, actinic keratosis, cutaneous sarcoma, adnexal tumors and cutaneous T- and B-cell lymphomas**. The entire spectrum of each disease will be presented including **epidemiology, prevention and early detection, diagnostics and staging, surgical and radiotherapy and systemic and intralesional therapies**. Certain unique elements will be introduced such as special **advocacy sessions** with the participation of invited policymakers, public health professionals and patient organizations. A series of **“gross and microscopic case”** sessions will provide a continuous stream of presentations of interesting cases with a specific teaching point presented by residents and younger colleagues.

**“Socratic dialogues”** will also take place in small groups comprised of selected young colleagues from different countries who will be mentored by world-famous experts. Inspired by examples from ancient Greek heritage, the 11<sup>th</sup> World Congress of Melanoma & 21<sup>st</sup> EADO Congress will focus on young colleagues, not only serving as a platform of exchanging knowledge but also aiming to a deeply influential effect in their career paths.

Most importantly, the conference will be an opportunity to celebrate the therapeutic milestones achieved in the battle against melanoma. The meeting will honor the remarkable collective achievements in the field and, through its proceedings, will define the work ahead to the ultimate goal of melanoma cure.

The unique surroundings of the cultural city of Athens and the springtime environment will contribute to what we expect will be a landmark event.

**Looking forward to welcoming you in Athens 2025!**

- 2028 – Vienna, Austria

## Congress History

### World Congresses of Melanoma

In the 1970s, the global melanoma community established a worldwide organization within the WHO, the WHO Melanoma Group. This group initiated a series of international studies, especially in melanoma surgery, that set standards for safety margins in primary melanoma excision and for lymph node surgery. The WHO Melanoma Group also initiated the first World Congress of Melanoma in 1985, which was then held every 4 years. The WHO Melanoma Group held its last meeting at the World Congress of Melanoma 2005 in Vancouver. After that, the Group dissolved because the WHO no longer supported their work.

This is the reason why former members of the WHO Melanoma Group and other worldwide known melanoma experts came together at the World Congress of Melanoma 2013 in Hamburg and founded the Melanoma World Society. At that time, this society set itself the objective of the WHO's previous commitments to the melanoma group, in particular the Organization of the World Congress and other educational congresses on the topic of melanoma. Other goals include supporting global policy development and supporting clinical and scientific research in the world.

### EADO Congress

The EADO (European Association of Dermato-Oncology) is an independent non-profit organization dedicated to promote, coordinate and improve clinical and laboratory research activities in the field of skin cancer including primary and secondary prevention, early detection, clinical diagnosis and clinical and experimental research. One mission of the EADO is to support and organise meetings dedicated to the presentation of new research findings, exchange of information and education for its members in the field of dermato-oncology. The first EADO Congress was held 2001 in Vienna, Austria.

## Congress Venue

The Megaron Athens International Conference Centre (MAICC) is one of the most modern conference venues in Europe, offering flexible spaces, stunning aesthetics and state-of-the-art technology. Located in the centre of Athens, MAICC has a total offering of 143,000 square metres and a choice of 18 meeting spaces, combined with expansive exhibition and foyer areas.

In addition, the venue offers 750 parking spaces and is located on a direct metro line to the Eleftherios Venizelos International Airport, journey time 35 minutes.

Foto: Papatrasi / Chalki / Vintage

### **Airport**

Athens International Airport “Eleftherios Venizelos”, commonly initialised as AIA, is located 33km away from Athens city and the congress venue Megaron Athens International Conference Centre (MAICC).

### January 31, 2025:

Start of Late-breaking & trials in progress abstract submission

### February 6, 2025:

Deadline Late-breaking & trials in progress abstract submission (6:00pm CET)

### February 13, 2025:

Notification Late-breaking & trials in progress abstracts

### March 3, 2025:

Poster Upload Deadline

# Call for Abstracts

## Abstract Submission Deadline: December 15, 2024 (6:00 pm CET)

All those interested in presenting abstracts at the 11<sup>th</sup> World Congress of Melanoma & 21<sup>st</sup> EADO Congress are invited to submit their work to the Program Committee for review. Selected abstracts will be chosen for an oral presentation during the free communications sessions or as e-posters for virtual consultation. The acceptance of an abstract does not include the congress registration. Authors must be registered for the congress until February 14, 2025 in order to present their work.

## Abstract Topics

- › Actinic keratoses
- › Basal cell carcinoma
- › Cutaneous sarcoma
- › Cutaneous T- and B-cell lymphoma
- › Melanoma – Epidemiology and diagnostics
- › Melanoma – Experimental and translational studies
- › Melanoma – Immune checkpoint inhibitor (ICI) therapy
- › Melanoma – Surgery
- › Melanoma – Systemic therapy other than ICI therapy
- › Merkel cell carcinoma
- › Rare tumors
- › Squamous cell carcinoma

## Abstract Guidelines

- › Abstracts may be **submitted online via the congress website**. Abstracts submitted by e-mail will not be accepted.
- › Abstracts must be received by the **announced deadline**. Abstracts received after the deadline will not be considered.
- › The **title** should be as brief as possible but long enough to clearly indicate the nature of the study. Abbreviations must not be used in the title. The title should not be written entirely in capital letters (e.g. NOT LIKE THIS).
- › Please indicate the **topic** from the abstract topics list and your preferred type of presentation (oral or poster). The Committee will endeavor to schedule abstracts according to authors' preferences but reserves the right to decide on the final form of presentation.
- › **Encore abstracts** will be accepted unless they have been published in scientific journals.
- › Please structure the abstract as follows:
  - **Introduction & Objectives:** Describe the background and the purpose of the study
  - **Materials & Methods:** Describe the material and methods used to design the study
  - **Results:** Describe your results in a logical sequence
  - **Conclusions:** Emphasise new and important aspects of the study and conclusions that are drawn from them
- › The text shall not exceed 350 words including spaces (excluding title, authors bibliography and key words). The submission program will automatically calculate the number of characters in your abstract and will not allow submissions that exceed the maximum number of characters.

- › It is acceptable to include up to two **tables, graphics, or images (jpg, jpeg, png, gif format, maximum size 2 MB in total)** as part of the abstract.
- › All abstracts must be submitted and presented in clear **English** with accurate grammar and spelling of a quality suitable for publication. Abstracts will not be edited by the Congress Secretariat prior to publication, therefore please check the grammar and spelling carefully.
- › Please use generic names. **The use of commercial drug names, brands and registered trademarks are strictly prohibited.** Drugs should be referred to by the active substance or pharmacological designation.
- › No mention of pharmaceutical company names should be included in the abstract.

### **Patient Privacy / Clinical Photography**

---

Photographs should at all times protect the privacy and identity of the subject. Eyes should be blacked out. The source of the photographs must also be declared if not the property of the presenter. This is to prevent the use of photographic material without permission.

### **Oral Presentations**

---

Selected abstracts will be chosen for an oral presentation during the free communications sessions. The presenting author does not have to be the first author.

### **Poster Presentation**

---

Abstracts selected for poster will be presented as printed posters during the congress. Further information will be provided prior to the congress.

### **Publication**

---

All accepted abstracts will be published in the digital Book of Abstracts which will be available for download on the congress website from March 15, 2025 onwards. The Book of Abstract will also be published on the EADO website under Events & Training/ EADO Congress after the conference.

### **Registration**

---

Please note that the acceptance of an abstract does not include the congress registration. The presenting author must be a registered participant, otherwise the abstract will not be reviewed and waived from the program.

### **Abstract Awards**

---

Further information will be available soon.

# General Information from A–Z

## Accommodation

---

Further information will be available soon.

## Badges

---

The name badge is the official congress identification document. Please wear your badge at all times in order to gain entry into the session rooms and exhibition area. Admission to the congress area will not be permitted without badge identification. Kindly note that for the reprinting of lost or forgotten badges, an administrative fee of 20 Euro will be charged.

## Cancellation Policy

---

Cancellations must be received in writing to [registrations@worldmelanoma2025.com](mailto:registrations@worldmelanoma2025.com) by February 14, 2025. No refunds will be granted after that date. A processing fee of 30 Euro will be deducted from each cancelled/amended registration. Substitutions are possible. To substitute a registration, please send an email including the name of the original registrant and the name of the person substituting to [registrations@worldmelanoma2025.com](mailto:registrations@worldmelanoma2025.com).

## Certificate of Attendance

---

For the download of the certificate of attendance and the CME certificate you will receive an email with a link for download after the congress. Before downloading your certificate, you must answer the official EACCME questionnaire.

## Cloakroom and Luggage

---

Further information will be available soon.

## CME Credits

---

In order to receive the CME points, please have your name badge scanned daily. This serves to record your attendance and the corresponding allocation of the CME points. You will receive your certificates of attendance by e-mail after the event. (Please note that you will need to fill in the official EACCME questionnaire, which you will also receive by e-mail after the congress).

## Congress Bag

---

Congress bags can be picked up at the registration desk. Each bag contains a copy of the Congress Program at a Glance and other useful information.

**CONGRESS  
ORGANIZATION**

**MEDCONCEPT** 

Gesellschaft für medizinische  
Projekte mbH  
Friedenstr. 58  
15366 Neuenhagen bei Berlin  
Germany

**Phone +49 (0)3342 – 42 68 930**

Email: [congress@worldmelanoma2025.com](mailto:congress@worldmelanoma2025.com)  
[www.medconcept.org](http://www.medconcept.org)

## Congress Program

---

Please note that there will be no printed program provided on-site for sustainability reasons. You may find the printed Program at a Glance in your congress bag. The full program can be viewed via the congress app or can be downloaded as a pdf from the congress website. All registered delegates will receive further information by email shortly before the congress. Delegates may also scan the QR code available at the Registration Desk using their iPhone or Android.

## Congress Venue

---

Megaron Athens International Conference Centre  
Vas. Sofias & Kokkali  
115 21 Athens, Greece  
<https://www.megaron.gr/en/international-conference-centre/>

## Exhibition

---

A commercial exhibition will run during the congress. Visit the onsite industrial exhibition to get in touch with exhibitors, colleagues, collaborators and friends. As soon as available, you can view the booth plan via the congress website <https://worldmelanoma2025.com> (from the end of 2024).

## Exhibition Opening Hours

---

Further information will be available soon.

## First Aid

---

In case of emergency, please go to the First Aid room.  
The Greek number for the ambulance service is 166.

## Insurance

---

The organizer does not accept liability for individual medical, travel or personal insurance and participants are strongly advised to make their own arrangements in respect of health and travel insurance.

## Language and Translation

---

The official language of the meeting is English. Simultaneous translation will not be provided.

## Liability Disclaimer

---

In the unlikely occurrence that the congress must be cancelled or postponed due to circumstances beyond the control of the organizers (natural disasters, political, social or economic events or other unforeseen events beyond control), the organizers cannot be held liable for any costs incurred by the event attendee. The organizer will record images during the event. By virtue of attendance, attendees agree to the organizer's usage of these recordings on the website and for marketing.

## **Lost & Found**

---

Please hand in all found items at the registration desk. A lost and found box will be provided there.

## **Lunches and Refreshments**

---

Coffee breaks and lunch will be served in the exhibition area on the ground floor. It is not allowed to bring food into the Amphitheatre/Meeting Rooms.

## **Parking Facilities**

---

The venue offers 600 parking spaces which are open daily from 06:00am-02:00am.

## **Program Changes**

---

The organizer reserves the right to make changes to the event program at short notice if necessary. This does not result in any reimbursement claims. Program changes will be announced during the congress.

## **Questions to Speakers**

---

Questions can be asked online via the congress app. In addition to that wireless microphones will be available during the discussion period in all sessions. Delegates wishing to participate in the discussion periods should make their way to the nearest microphone placed in the aisles.

## Registration

---

Registration is only possible by using the online portal on the congress website. Further information will follow soon.

For group bookings, there will be a group booking portal on the congress website.

<b>Category / Fee</b>	<b>Regular &amp; Onsite Fee</b> On-Site Attendance from December 16, 2024	<b>Early Bird Fee</b> On-Site Attendance until December 15, 2024	<b>Virtual Attendance</b>
Full Delegate / Non-EADO Member	800 €	700 €	700 €
EADO Member	700 €	600 €	600 €
“Resident / Trainee / Medical Fellow Scientist / Allied Health Professional / Nurse*”	500 €	400 €	400 €
Student*	250 €	200 €	200 €
Day Tickets	350 €	250 €	–

\* The resident / student registration rate will be granted only after receipt of proof. The written proof of status (e.g. letter signed by the head of department confirming the status of the applicant / copy of student ID card) can be uploaded online during the registration process.

## Method of payment:

---

Only credit cards (Visa, MasterCard, American Express and PayPal) will be accepted. Bank transfers are only possible in exceptional cases for group bookings / hospitals. Please note that in payments by bank transfers, the bank charges must be paid by the delegate.

## On-site registration fee covers:

---

- › Admission to on-site & virtual scientific sessions and satellite symposia
- › Admission to the on-site & virtual industrial exhibition
- › On-site coffee breaks
- › Congress bag
- › Opening ceremony
- › Certificate of attendance
- › Book of abstracts
- › Login to the on-demand area (session files will be available until October 15, 2025)

## Virtual registration fee covers:

---

- › Admission to virtual streaming of scientific sessions and satellite symposia
- › Admission to virtual industrial exhibition
- › Virtual opening ceremony
- › Certificate of attendance
- › Book of abstracts
- › Login to the on-demand area (session files will be available until October 15, 2025)

## Registration Desk

---

The registration desk is situated on the ground floor. Further information will be available soon.

## Smoking

---

Smoking is strictly forbidden within the congress center.

## Social Networks

---

Stay tuned and connected and follow the conference on Instagram and Facebook.

Further information will be available soon.

Further information will be available soon.

## Speaker Preview Room

---

A Speakers' Preview Room is provided for all speakers. All presentations must be downloaded in the Speakers' Preview Room beforehand, as the presentations will be sent directly to the meeting room through the internal computer network.

**The following facilities will be provided in the room:** computers (Windows operating system) to review, alter and upload the presentations to the server and support by technical staff.

The presentations should be handed into the Speakers' Preview Room **at least two hours before the session**. Speakers with a presentation during the first time slot of the morning are kindly asked to hand in their presentation the day before. All speakers will be able to find their presentations easily on the preview monitor on the lectern in the corresponding session room.

## Sustainability

---

Sustainability is more important today than ever before. We are working internally on increasing our sustainability efforts and would like to encourage all involved in the 11th World Congress of Melanoma in conjunction with the 21st EADO Congress to minimize their environmental and social impacts. Go Green – Acting today for tomorrow!

### Ways to get involved:

- ▶ Travel by train / by carbon offsetting your flights to Athens and encourage your colleagues to do the same
- ▶ Use the recycling bins provided on-site
- ▶ Recycle your name-badge in the bin provided at the registration desk
- ▶ Recycle all brochures and promotional items not needed in the bin provided within the industrial exhibition
- ▶ Use the public transportation system in Athens.

## Welcome Reception

---

All registered delegates are invited to join the welcome reception on Thursday, April 3, 2025 from 18:00–20:00 which will be held within the exhibition area. The Welcome Reception is open to all registered delegates, sponsors and exhibitors.

## Time Zone

---

Athens is in the Eastern European Time Zone which is 2 hour ahead of Greenwich Mean Time (GMT +2). Like most states in Europe, Athens observes daylight saving (summer time). On Sunday, March 30, 2025 time will be shifted forward by 1 hour (GMT+3)

## Weather

---

In April, the temperatures during the day in Athens range between 12 °C and 20 °C. However, the daily average temperature for Athens during April is around 18 °C.

## Wi-Fi

---

Free Wi-fi will be available within the congress area. Further information will be available soon.
